## **President's Report**

Welcome all to the first Belmont Athletics Centre (BAC) annual report.

I would firstly like to thank the BAC Executive and Non-Executive Committee members and their families for their contributions in the past twelve months. Being part of a volunteer community sports organisation can be very rewarding, however, it is not always an easy job and at times asks for a lot of understanding and commitment from families.

And secondly, I'd like to thank the City of Belmont for their continued commitment to our Centre with the fantastic facilities they supply for us and their ongoing willingness to develop and improve Gerry Archer.

Our centre has gone through a major shift in the last twelve months with our change to a one sport model centre. This change enables some of our junior members to also compete as Belmont athletes at senior strive events, as well as enables us to have senior only athletes as part of our centre for the first time since I have been involved. It is an exciting change and one I am looking forward to embracing.

Our executive team had a few changes this season, with Fiona van Heerwaarden coming on board as our Executive officers and fellow Carlisle Rivervale member Mick Colins joining us in the Officials coordinator role.

After many years, Natalie Nanut retired as our registrar and Jacki Walters moved over into this position, extending her already extensive knowledge of registrations from being a club one for many seasons.

I would again like to thank John and Leo for their unending help with any and all competition day issues. They were almost always the first people there on competition days and the very last to leave at the end. Their tireless work behind the scenes is an unbelievable asset to our centre.

We once again ran our Wednesday evening under lights competition during the Christmas school holidays in January. The numbers were down again on the previous years, hopefully they will grow again next season. The athletes that came along had a fantastic time.

We also ran our 100m Gift handicap race again, the event is open to any Western Australian Little Athlete. It was run on a Monday evening in the January school holidays. Numbers were much better this year for the younger age groups, but once again the older athlete's groups were lacking. But a decent turnout overall and definitely an event to keep running.

This season, we were excited to have our synthetic long jump run-ups in. They have been well received and have worked flawlessly as hoped.

Nathan Cunningham  
President Belmont Athletics Centre

## **Executive Officer's Report**

Stepping into this role this season was a bit daunting and it seemed this was a big role to take on. I already had a heavy volunteer workload at a club level (as coaching coordinator and coach) and as chief walks judge for the walks program at BAC. I also contribute towards the committee for the WARWC (WA Race Walkers Club).

Fortunately, I was handed over a good set of documents and I had the executive committee to lean on in the early days while I was familiarising myself with BAC policies and processes. The start of the season was a bit hectic with a lot to put in place before competition started for the athletes but the committee as a whole all have their parts to play and collaborate well together to ensure everything is done so the athletes can have the best experience possible.

It was very interesting to see the workings of the committee and all the tasks that happen in the background for the athletics season. And to see the committee working together to achieve a common goal. I worked on the meeting minutes and agendas, correspondence log and email communications to and from members and others.

This season was not without its challenges. We had unprecedented heat this summer with the committee having to think on their feet to find creative ways to run athletics as planned. After much discussion and consultation, this was achieved with a combination of early starts (AM), delayed starts (PM) and a split program to avoid young children being exposed to the hottest part of the day. While none of these solutions were ideal (nor did they suit everyone) it was necessary to modify the program to avoid cancelling the program completely, which was also an option (and also not ideal).

Belmont were fortunate to host Zones this season. Which ran very well, and despite the heat, the entire program was completed over the zones weekend. A great achievement for BAC.

A first for Belmont this season was the introduction of Seniors members (anyone who is older than U17). Which saw some adults join BAC for the first time and the introduction of social athletics on a Wednesday evening. This is a great pathway for athletes who want to continue athletics past U17 but not at Strive. And a great way for parents to enjoy athletics alongside their children. I didn't join in for the 2023-24 season due to availability but I like that the option is there and I hope to make it along next season.

Fiona van Heerwaarden  
Executive Officer

## Treasurer's Report

### **Operating Account**

Opening balance (available) as at 01/04/2023: \$22,585.39  
Closing balance (available) as at 09/04/2024: \$26,088.09

### **Online Saver:**

Opening balance (available) as at 01/04/2023: \$50,506.69  
Closing balance (available) as at 09/04/2024: \$691.46

### **Term Deposit:**

Balance: \$50,000.00

Net profit for the Centre for the 2023/2024 Season was \$3,502.70. In July 2023, \$50,000.00 was transferred from the Saver account to a Term Deposit account.

Registration income decreased from 2022/2023 (\$27,037.00), with total income for 2023/2024 being \$24,802.20. Whilst registration numbers were lower than previous years Athletics West increased its fee this season to \$110 per athlete. Belmont's fee stayed the same at \$70. Belmont also introduced an option for senior athletes to register and compete as Belmont or take up the social athletics option.

Canteen income from all normal competitions for 2023/2024 was \$19,065.12 gross (\$20,227.37 for 2022/2023) or \$5,756.56 net (\$2,923.80 for 2022/2023). This figure includes takings of \$2,612.68 from our Belmont hosted Wednesday night January competitions, Relay Night and Gift event. We once again paid an honorarium to our canteen manager which totalled \$2,600.00 this season.

This season we hosted Zones over 2 days with \$1699.69 profit collected through canteen sales.

Whilst the coffee machine was a good investment when purchased to start the 2019/20 season and has continued to make a great profit over this time, however sales have started to slow. Granted we have not had as many cold mornings or evening competitions of late so I would recommend looking at maybe selling the machine and the possibility of securing a coffee van instead or another option may be considered. Something for the committee to discuss further in the lead up to the 2024/25 season.

Cost of Trophies, Medals and Awards increased slightly for the 2023/2024 season from \$8,751.40 (2022/2023) to \$10,586.65 (2023/2024). This was partly due to price increases and returning to gifting purple towels for the U17's as they are more expensive. The End of Season Windup was done differently this season with only an ice cream van being invited and all athletes given a \$5.00 voucher each to spend. One bouncy obstacle course was hired and all attendees were treated to a free sausage sizzle.

New uniforms were purchased this season to reflect our new branding and the introduction of senior athletes to our centre. The Centre has approximately \$76,500.00 in its accounts

leading into the 2024/2025 season. In my opinion we should add additional funds to our current term deposit.

**Belmont Little Athletics Centre Inc**

I have audited the financial reports of the Belmont Little Athletics Centre account for the period 1<sup>st</sup> April 2023 to 9<sup>th</sup> April 2024. The Treasurer is responsible for the financial reports.

I have conducted an independent audit of the financial reports to express an opinion on to its members.

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial reports are free from material misstatement.

It is not practicable to maintain an effective system of internal control (other than bank interest) until their initial entry into the accounting records. Accordingly, the audit in relation to income (other than bank interest) was limited to the examination of the amounts so recorded in the accounting records as being received.

**FINDINGS**

The bank account was able to be reconciled with all bank statements when compared to the payments and deposit records.

**QUALIFIED AUDIT OPINION**

In my opinion the financial reports present fairly in accordance with applicable Accounting Standards and other mandatory professional requirements the financial position of the Belmont Little Athletics Centre account as of 9<sup>th</sup> April 2024 and the results of its operations for the period then ended.

## Registrar's Report

This season I took on the role as Centre Registrar, this was a new role for me. Having been a Club Registrar for 6 years it seemed that it would be an easy transition.....and then came Senior's registrations! It was challenging but enjoyable setting up our Senior registration platform, RevSports.

As Belmont Athletic Centre's first season being a 'one club' which meant the introduction of Senior memberships. We introduced three new membership types additional to our usual Little Athletes membership:

Senior Only Membership  
Dual Senior and Junior Membership  
Social Membership

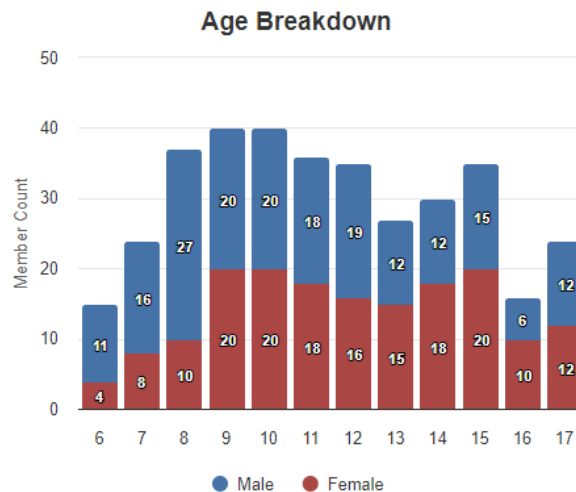

Our Little Athletics member numbers saw a slight reduction from our 388 members last season to only having 359 members this season.

### **Club Breakdown:**

Kalamunda	93
Kewdale	72
High Wycombe	60
Carlisle-Rivervale	48
Forrestfield	46
Kelmscott	40

### **Our Senior Member No's:**

11 Dual Senior/LA members  
6 Senior Only members  
3 Social members

I'm looking forward to re-joining the Belmont Exec next season for what will be my 12<sup>th</sup> season!

Jacki Walters  
Belmont Athletics Centre Registrar

## Records and Rankings Officer's Report

This season, again came and went in a blink of an eye, especially with 1 less round of our ABC programs. Throughout the regular season, we witnessed the breaking of 25 records, among which Kyra Pilmer distinguished herself by setting six records single-handedly.

Center Championships yielded another 25 record-breaking performances over the course of two days, with a remarkable 14 occurring on the first day alone. During centre champs the people that volunteered in the room with me were amazing and both days went very

smoothly. These Centre Champs have been the most smoothly run and least stressful for me thanks to the team of people I had volunteer.

There were only 3 visitor records broken this season and one of those records was 51yrs old! Scarlett Nunn smashed the 1500m record by 23.75s. The original record was 5:31.40 and Scarlett's time was 5:07.65.

100 club badges were handed out during the season, with a few 500 and 600 badges in the mix.

100 – 34

200 – 21

300 – 9

400 – 5

500 – 3 – Fearne Van Beek, Madison Mills, Lilly Adjuk & Noah Statham

600 – 2 – Bonnie Greenway & Klara Tilbee

## Championships & Coaching Report

As I transitioned to a new role of Registrar this season the Championships & Coaching role remained vacant, so I took on the coaching aspect of the role by facilitating the State Relay's and arranging Athletics West to conduct a coaching clinic.

The Coaching Course was a great success, exceeding our maximum No of people able to attend resulting in us sadly having to close registrations for this event. The course was 2.5hrs on a Sunday morning and covered 6 disciplines. This gave a broad introduction to these disciplines but I feel it would be best to break these into two separate courses, maybe throws/sprints and jumps/hurdles.

State Relays took place on 16/12/23.

We managed to fill teams for all gender and age groups except Track: U 9B & U12G Field: U13G

I would just like to say a huge thank you to all our coaches (Courtney Davies, Tanya Gilders, Maddi Doulis, Karlie Agius, Richard Langsford, Richard Hesnan, Rylan Scott, Mike Gilders, Mark Edwards, Matt Davey, Mark Maslen, Scott Tomlin, Dave Statham) who worked hard not only on the day but leading up to the comp training their teams, attending extra training sessions and getting involved in the AW relay coaching clinics. This event cannot run without our fantastic coaches so thank you all!!

The Swedish Relay brought a welcomed change to the overall comp however the changeover positioning needs to be looked at and rather than place the athletes on the track at changeover in lane order this needs to be done in position order as it created a large disadvantage to those that drew outside lanes, especially if they were winning as they would then need to cross over into lane 3 from lane 1 to make their changeover. This cause several occasions where by athletes were 'cut off' trying to make it to their team mate.

Belmont had a successful Relay's taking out:

<b>TRACK:</b>	4 x 100m
Mixed Medley	U15B - GOLD
U15-17 - GOLD	U17B - BRONZE
Swedish	<b>FIELD RELAY:</b>
U15B - BRONZE	U9B - SILVER

An awesome display by our older athletes setting a great example to our younger athletes what can be achieved!

As our Senior No's grow, I hope to get some Senior teams competing for Belmont next year as well as possibly some all-abilities teams - I put this out to our members this season but did not get enough response to fill a team of any kind.

### **Chief Track Umpire Report**

Firstly, thank you to all the volunteers for your assistance over the athletic season, it's been really appreciated!

We continue this year with the changes that were implemented last year (finish line processes around athletics crossing the finish line had to remove spike shoes off the track, flags for the 800 metres cut in line), which seem to yield positive results. Additionally, having conversations with the athletes about positive encouragement/engagement, education, communication around potential breaches in the rules and how they can avoid this going forward. Concerning breaches in the rules, big thank you to the Club Managers/Captains for assisting me reinforcing this with their athletes and having those open conversations around any issues during the session. Including the parents, who I spoke to throughout the year, thank you for your understanding and support with reinforcing the rules/behaviour.

Consistency has been an issue throughout this season, which we worked on with some success, but not to the level I believe we require to ensure a smooth and functional program. The speakers for the Short Track Starter were a positive, but unfortunately the starting equipment let us down sporadically through the season. We are endeavouring to ensure this is corrected for next season. The individuals that assisted with the key role of the Short Track Starter, done an amazing job considering the majority of them had never done it before. However, unfortunately this led to inconsistencies in the starting process, which we will need to review before the next season.

I believe our aim at the start of the year has been achieved (always room for improvement), to bring all our athletics up to a level where if they compete at States, they are not disadvantaged by the practices at the Centre!

Athletes have been amazing this year, supportive of one another and respectful to all (fellow athletes, volunteers) the majority of the time, you are kids, keeping us on our toes is part of your makeup.

Regards

Colin Muijs

We also acknowledged Jacinta Thompson for her outstanding contribution and dedication to the club over the last 10 years with Life Membership, and John and Fiona van Heerwaarden the Peter Redmond award for Outstanding Parent Commitment.

And as another season closes the time comes for three more athletes to complete their Little Athletics journey. Noah Statham, Philippa Mansaray and Archie Scari will all well-liked and respected athletes that have finished up this year. While Archie was fairly new to the club with 2 seasons under his belt and Philippa and Noah has been around for significantly longer completing 9 seasons. We wish them all the best in their future challenges, hopefully including athletics.

Bring on another great season at Carlisle Rivervale in 2024/2025!

## Forrestfield Little Athletics Club

The end of last season saw us say goodbye to some long-standing families and half of our committee, which in turn meant that this season Forrestfield gained several new committee members, causing a change in dynamics within the club. Athlete registrations were down this season with a total of 46 athletes (35 returning, 11 new). This affected training and parent roster on Saturdays.

Parent involvement increased for the majority of this season and several of our parents were a consistent presence and help to myself whilst juggling not only the Managers role, but also the coaching coordination, social media and Records & Ranking roles. This season saw FLAC have structured training based on the Saturday program and a parent roster for training as well.

Our fundraising was an amazing success this year with 2 BAC fundraisers and a quiz night. We also gained some new sponsors pushing FLAC's profit to \$5583.00. Below are the results of our fundraising.

1. Belmont BBQ 1 - \$760.40 – sausage sizzle and hamburgers
2. Belmont BBQ 2 - \$1344.61 – sausage sizzle, hamburgers and ice cream (Ana's Gelato). We sold 75 burgers by 9.30am.
3. Quiz night - \$2979.20.

The City of Kalamunda have been planning an upgrade to the Hartfield Park precincts and this season saw FLAC gain an Olympic standard shot-put circle and 2 jump pits and run ups. This was celebrated with the City of Kalamunda Mayor and other delegates with ice cream and photos. Moving forward FLAC now has a permanent home, sharing the clubrooms and grounds with the Forrestfield Football club. Future developments include a new shared club room and storage space for both clubs.

Our athletes did extremely well this season breaking BAC records, medalling at State events and competing at National Events for WA.

### **Club Manager Report Season 2023/2024**

#### **Registrations**

Once again this season, our registration numbers were strong, with KLLAC fielding the largest number of athletes. We started the season with 93 registrations however we finished the season with 87, including 26 new athletes. Most of our athletes were in the U14 and underage groups but many of these look to be continuing for a long time into the future.

#### **Coaching**

Our training hub at Kostera Oval is going from strength to strength with the upgrade of the Kostera Clubrooms and our new storage facility working well. Our coaching team was coordinated by Matt Davey (Head Coach and long distance), Phil Langley (specialist), Remy Fernando (sprints), with Holly Engel and Karl Williams coaching the juniors (U6-U8). KLLAC's success in training has shown this season and is due to the senior coaching team's dedication. We would like to thank all the parent coach volunteers and support given to Matt, Remy and Harry. The coaches and helpers did a great job guiding our athletes to develop and improve their skills.

#### **Roster**

Once again, our roster this season was managed positively and efficiently by Calie Ferrari-Field. Having the largest parent roster to fill is always a challenge and Calie does it with little fuss. A massive thank you to Mike Gilders and support from Ross Engel, Amanda Morgan and Tanya Gilders for their efforts announcing this season. It is a huge job and the centre can't run without it. As with most seasons late withdrawals from roster continue to cause the biggest issue for the roster manager on competition days and non-attendance for roster duties without notification which just puts more pressure on attending families to cover the shortfall. Calie did an amazing job following up with parents and making sure our spots were filled.

#### **Records and Ranking**

Many thanks to Steve Noa for his efforts maintaining our athlete records and performance information. He had a busy season this year with a large number of club and centre records being broken.

#### **Registrar**

Kylie Scott continued as registrar this season and did another fantastic job. As always the start of the season is the busiest for the registrar but with a number of late registrations and withdrawals Kylie, as well as lost bibs she has been kept busy all year.

#### **Secretary**

Sarah Greenway maintained this role and as usual has gone far beyond her role description areas. We are very fortunate to have a parent so willing to step up anytime to assist in any area. Sarah's unwavering knowledge and support is invaluable to the Club.

#### **President**

Shane Scott took on the role of President this year and has filled the role well. Shane's support and encouragement to the committee and parents is a big part of what makes our club so amazing. We are extremely lucky to have Shane in this role and hope he can continue into the future.

**Club News and Athlete Success**

A massive year again for our club, winning the French Family Trophy for Champion Club, the March Past Champions for our TMNT themed parade as well as a large number of our athletes setting Club or Centre records. The real success came with the attitude and participation of our athletes. New athletes and old showed why Little Athletics is a great way to meet new friends and also make exercise fun. We also had 13 athletes who achieved a 100% attendance at the Centre for the season. Congratulations to those athletes who have showed their ongoing dedication this season.

Congratulations to our Official of the Year, Colin Muijs. Colin is the first to arrive and the last to leave on our Saturday competitions. He also represents our Club on the Executive Committee. We all appreciate and thank him for the time and effort he puts in to support our Club and athletes.

Special mention to Connor Muijs (U16B) winning Senior Athlete of the Year and Sean Potts (U12B) winning Intermediate Athlete of the Year for Belmont LAC, based on their season performances. Congratulations to them both and we can't wait to see what you achieve in the future.

Another special mention to Hannah Moylan (U11G) who finished an amazing season of Centre Records and State Titles by winning the perpetual Hurdles Trophy. Congratulations Hannah and can't wait to see what you achieve next.

We also had numerous award winners and runners-up in a variety of age groups at the Belmont Centre windup. Congratulations to the following athletes:

Champion Athlete	Runner-Up Champion Athlete
U6G Indiana Lindsay	U6B Kade Livesey
U8B Ethan Williams	U7B Tom Engel
U11G Hannah Moylan	U10G Mia Silvester
U13B Jackson Gilders	U10B Logan Scott
U14B Mitchell Ferrari-Field	U11B Henry Dalgleish
U15G Zarah Scott	U14B Nathaniel Martin
U16B Connor Muijs	
U17B Rylan Scott	

Many of our Athletes continued to reach higher and stronger by setting goals and breaking records at Club and Centre level. Congratulations to our Centre Record breakers; Indiana Lindsay, Hannah Moylan, Neilson Shibu and Isla-Rose Gray.

We had a number of athletes qualify for the State Championships in February and Junior State Championships in March and we would like to recognize their achievements. Congratulations to all athletes who competed.

This year we have had the largest group of U17 athletes to date. To see these athletes continue their dedication and enjoyment of the sport has been impressive to see, some of which have been with the Club for a number of years. We wish them all the very best for the future and hope that they continue their active participation and maybe even see them back at the Club in some capacity. We say farewell to the following graduating U17 athletes; Alexis Markovic, Bonnie Greenway, Imogen Noa, Lilly Adjuk, Louise Galvin, Tegan Biggin and Rylan Scott.

A huge thank you to our Club Captains this year with Lilly Adjuk and Bonnie Greenway doing a wonderful job leading our athletes by example.

We look forward to next season and chasing those elusive PB's. Many thanks to our club sponsors, supporters, coaches, club executives and the BLAC executive for all your hard work and dedication. Thank you for making Little Athletics a wonderful experience for our children

Mike Gilders  
Club Manager  
2023/2024

## **Kelmscott Athletics Club**

Led by our Club Captains Ella-blu and Sigourney we commenced the 2023/24 season. We had Mike Edwards and Olivia Trueman come on board as coaches this season with Sigourney and Ella blu also helping out.

Thank you to our parents who helped on site when rostered and in particular those who filled Key Official roles.

We also saw Ella-blu and Sigourney, our Under 17 athletes finish with the club however we are excited to see them return in a coaching capacity next season.

The new 2024/2025 season is fast approaching and I'm sure we will see some exciting and positive changes in and around our club.

### **Membership Report**

Season start registrations 40 Athletes down from 47 in the 2022/2023 season.

Season end participants 33 Athletes

Once again we had parents pull out and their athletes didn't compete at Centre Champs which made rostering very difficult.

Thank you to our outgoing Committee for all your hard work during the season

End of Season Windup was to be held at Kalamunda Water Park however due to a booking mix up we went to Coogee Beach instead on the 23/03/2024.

Our AGM will be held in July. Next year our club is 29 years old EST 1996.

## High Wycombe Little Athletics Club

# HIGH WYCOMBE LITTLE ATHLETICS CLUB MANAGERS SEASON REPORT 2023-2024

There was a slow start to the 2023/24 season with no Secretary and no Manager. Then interim replacements found, a change in Presidents and finally, by the 3<sup>rd</sup> meeting the committee positions were all filled and locked in.

Advertising for the club in the lead up to the season was done through school newsletters, school sports days, word of mouth, Facebook, Local community online pages and adverts at local businesses.

Once again, a lot of hard work was done by our Registrar behind the scenes prior to the season getting underway, with enquires and organising numerous Come & Try's, before the online registrations were launched and our first training session was held on Monday September 18<sup>th</sup>.

### Community Support

High Wycombe Primary School has allowed us to continue to train at the school, for a small fee. Fundraising support and Sponsorship has come from **Professionals Stirling Clark, Pharmacy 777 High Wycombe, First National Real Estate, Club Fundraising, Crosilva Egg Farm, Nightingales Pharmacy & Newsagency, High Wycombe Pharmacy, Kalamunda Hotel, Tommy Gun's Australia, Priceline, Newspaper, The Vitamin Outlet, Spud Shed, Coles and Woolworths.**

Sarah has done a wonderful job once again with her fundraising efforts this season. Thank you Sarah. The club looks forward to next season and what you can achieve.

### Participation

We began the season with 53 athletes from 28 families. We reached 60 athletes, from 33 families, and as a club decided to cap that as our maximum and closed off any further registrations. This decision was based on safety at training with the facilities provided and number of coaches available. By the end of the season, 3 families had withdrawn either just prior to the Christmas break or did not return from it. This was down from 6 the previous season and 8 in 2021/22.

As has been the situation for the past few years, a lot of time was spent trying to really inform new families what was involved in Little Athletics and that it requires a huge parent commitment in regards to helping at training and being rostered on to assist on competition days. Those families that then registered were aware of the requirements, which made rostering somewhat easier.

Rostering was communicated via Heja for the second year, with the intention of trying to be flexible to families with various work/life commitments. People were once again not allocated to a certain program but were rotated through each program depending on their availability. Other than the families who withdrew, all who remained fulfilled their rostering duties. It was a testing season in terms of the number of heatwaves over the summer. This was especially the case for Centre Champs day 2, where it was needed to be modified due to an expected forecast of 43 degrees. With an earlier than usual start and having to split the day in 2 & having to return in the evening, there were some concern whether families would attend or return. But as was the case with the rest of the season, despite the heat, our rostered sites were always filled.

A big shout out to Denise Clare who has been our clubs Walks Judge for many years. With the twins finishing up with Little Athletics, this was her last season in this role. Thanks to Mark Maslen for stepping in to help Connie as another Walks Judge. Previous years have found this role hard to fill.

The Head Coach role was once again fulfilled by Darren Brady, who had Mark Maslen & Gavin Hogg return as Assistant Coaches for a 2<sup>nd</sup> term. Our paid coaches consisted of Alison Moore helping for her 5<sup>th</sup> year & Tom Hilditch helping for a 2<sup>nd</sup> time. They were joined later in the season by Junior Assistant coach, Rachel Hilditch.

### **Athletes Achievements**

We had at least 11 athletes from HWLAC attend the State Relays & State Championships this year.

Congratulations to the U17 boys who achieved gold in the Swedish relay and bronze in the 4x100m relay. U15 boys team who also accomplished gold and bronze. Gold to the U11 boys and silver to the U9 boys in the field relays.

Well done to the 4 athletes who all won bronze at the State Championships. Jake in turbo & scissor, Hannah in 800m, Patrick in 300m hurdles and Blake in shot put. A special mention to Blake for being selected to represent the WA State Team in the U18 Men's shot put, taking place in South Australia in April. The club wishes you all the best Blake!!

Also, not to forget the Outstanding Achievements of our Parent Relay team! This year it consisted of Mark Maslen, Sarah King, Sarah Green and Jacob Hollenberg. Well done on your Championship run for the club.

**Wind Up**

Our windup was held at Kalamunda Water Park for the second year now. It was held the day after Centre Champs 2 on Sunday 11 February 2024. It was another warm day but made enjoyable by seeing all the kids reflect on their performances throughout the season and walk away with all their medals before hitting the pools and slides to cool down. It was decided to postpone our AGM to the beginning of the new season, at which time families will have decided whether they will be returning or not and hopefully avoid voting in the committee at the end of the season only to find that circumstances have changed in the off season and the committee needs to be reselected.

**Season Completion & Upcoming Winter Season**

It was great to have such a strong representation of U17's in our club this season. Sadly this sees the completion of Little Athletics for Blake, Ethan, Noah, Patrick and Zach. We wish them all the best if they decide to continue on to compete in Strive.

Lastly, best of luck to any athletes from the club who choose to continue into the Winter Season of cross country and walks.

Kind Regards,
